MER Supplement 1  
CAPR 62-2  
1 January 2000

## Safety

### MISHAP REPORTING AND INVESTIGATION

CAPR 62-2, 15 September 1999, is supplemented as follows:

**2.** It is the policy of this region that a CAPF 78/79 be submitted to the Region Safety Officer in accordance with CAPR 62-1, Attachment 4a (Reportable Mishaps) regardless of the severity of the mishap.

**4a.** CAPF 78 will be logged and a file maintained at the unit level in accordance with CAPR 10-2 and CAPR 62-2, Attachment 4b (non-reportable).

**4b.** If serious injury or death is involved, Wing/CC or his designees will immediately notify National Headquarters NOC (National Operations Center) by phone 1-888-211-1812 (24 hours a day).

**4c.** Wing Commanders will notify, in turn, the Middle East Region Commander, the Middle East Region Vice Commander, and Chief of Staff, in addition to the Middle East Region Safety Officer, and the Middle East Liaison Region Commander of all aircraft/vehicle mishaps and all other mishaps involving death and/or serious injury. This is a coordinated Middle East Region and Middle East Liaison Region supplement.
